MEP  Los Angeles (SHPE)  National Society of Black Engineers (NSBE)

The MESA Engineering Program (MEP) solicits academic scholarships for its participants throughout the year. Your completion of this application will assist our office in identifying your needs. Awards are based on academic merit, leadership, involvement, and financial need.

Required Supporting Materials:

- Please provide a one-page essay highlighting your leadership, financial need, and any outstanding challenges, and accomplishments.
- Please provide a photocopy of this year's Financial Aid Award Letter. If you do not receive financial aid please detail why in your essay.
- Please provide one letter of recommendation from a person outside the MEP program staff.

FERPA Release statement:

For scholarships, a company representative may review scholarship applications that are received. By signing this release, I agree to allow all information provided on the attached application, including my unofficial transcript, reviewed by official(s) from the issuing organization.
